NATIONAL HISTORIC LANDMARK

ANTONITO, COLORADO · CHAMA, NEW MEXICO

2025 SCHEDULE
MAY 31 - OCTOBER 25
TUESDAY - SUNDAY

Climb aboard the historic narrow-gauge **Cumbres & Toltec Scenic Railroad** which operates in the scenic landscapes of southern Colorado and northern New Mexico. Renowned for its breathtaking mountain vistas and vintage steam locomotives, the railroad offers an immersive journey back in time to the late 19th century, when railroads played a crucial role in connecting remote regions. Stretching 64 miles of rugged terrain, the Cumbres & Toltec Scenic Railroad provides guests with a unique opportunity to experience the Old West while traversing through deep canyons, across high trestles, and alongside rivers. With its rich history, stunning scenery, and meticulously preserved heritage equipment, the Cumbres & Toltec Scenic Railroad promises an unforgettable adventure for enthusiasts of rail travel and history alike.
