### **Job Title: Locomotive Shop Laborer/Mechanic**

**Location:** Chama, New Mexico

**Department:** Shop

**Reports to:** Shop Manager, Foreman & Chief Mechanical Officer

### **Job Summary:**

The locomotive shop laborer/mechanic position is a seasonal position, which may become full time year-round position later. The locomotive shop laborer/mechanic assists in servicing, maintaining and repairing steam locomotives, while ensuring safety first. You will be trained to operate and fire steam locomotives near shop in yard limits under the supervision and permission of the Shop Foreman and Manager, as well as shop equipment. Locomotive firing may be extended out onto regular trains. Safety is important around the railroad and heavy equipment and not to be taken lightly.

PPE will be provided and is essential to be worn when duties require it.

### **Job Duties Include but are not limited to:**

This position is responsible for learning to maintain steam locomotives. Duties will require learning to work with hand tools, power tools, operating machinery, heavy equipment in a safe manner. Willing to learn additional skills like cutting, welding, fabricating, and machining.

- Daily inspection of locomotives, including cleaning fires, boiler washes, greasing rods & bearings
- Lubricating, cleaning and repairing where and when necessary, repairing and replacing parts on steam locomotives.
- Other duties may include brush fire fighting, rerailling locomotives and cars, etc.
- There will be interaction with members of the public when the locomotives are around the depot during the day.

**Qualifications:**

- Requirements: High school diploma or GED,
- Some mechanical experience.
- Able to lift 50lbs,
- Must be 18 years of age or older.
- Must have a valid driver’s license.
- Must be able to pass a background check as well as drug/alcohol test.

**Work Conditions:**

- Comply with all CTO company policies, procedures, safety and operating rules.
- Attending a rules class and passing a rules class will be part of the training.
- Field and office work required.
- Travel to multiple rail sites or operational yards.
- Must be able to work flexible hours, including nights and weekends as needed.
- Able to stand for extended periods of time and able to lift more than 25lbs.

**Beginning Salary:** \$17.00 per hour
