CUMBRES & TOLTEC

SCENIC RAILROAD

NATIONAL HISTORIC LANDMARK

ANTONITO, COLORADO · CHAMA, NEW MEXICO

ALL ABOARD THE RIDE OF YOUR LIFE EXPERIENCE AMERICA'S MOST AUTHENTIC STEAM RAILROAD

Step back into 1880. Rolling across the rugged borders of Colorado and New Mexico, the **Cumbres & Toltec Scenic Railroad** is a National Historic Landmark preserving the Golden Age of railroading in its purest form.

Experience 64 miles of untamed wilderness as our vintage steam locomotives chug through the dramatic Toltec Gorge and climb to the 10,015-foot Cumbres Pass. From soaring trestles to winding mountain rivers, every mile offers a front-row seat to the Old West.

With meticulously preserved heritage equipment and world-class scenery, you're invited to disconnect from the modern world and join us on an unforgettable journey through history. Adventurers, families, railfans, and history enthusiasts alike — everyone is welcome on board.
